

7TH GRADE NEWS & INFORMATION

3/26/18 – 3/30/18

Key Weekly Objectives

Here we will highlight key objectives that we are targeting in seventh grade during the week.

ELA/Writing & Religion: Objective: To examine the last week of Jesus’s life by writing a detailed narrative based on the gospel accounts from the perspective of Mary or one of the disciples. This Holy Week Journal is a project that requires intense scripture study through a close reading of the four gospels.

CLASS UPDATES

SUCCESSSES: The class again showed great resilience working on and off campus this week. They were flexible with the change of location and got right to work at their off-site locations. On Monday we finished our reading of Shakespeare’s *A Midsummer Night’s Dream*. They had a great time with the Rustics’ play with in a play.

OPPORTUNITIES FOR GROWTH: There have been a few issues with people having short tempers and snapping at each other. The students know each other so well and like siblings, they know each other’s “buttons”. We need to take time and think about our words, use our words carefully, and not pick at our needle each other.

Lent: Our Lenten theme is “Your Word, O Lord, is love and truth” from Psalm 25. A good topic for a family faith discussion would be how to live out God’s love and truth this Lenten season.

Lancer Folder & Report Cards: Due to our change of location this week, the Lancer Folders and the report cards will be going home on Monday.

Holy Thursday: This will be a full day with a prayer service at 11:50-12:20 in the church.

Good Friday: This will be a minimum day dismissing at 12:20 with a prayer service with the Kindergarten Stations of the Cross at 11:45-12:20 in the church.

Academic Showcase/Science Fair: Our Academic Showcase and the Middle School Science Fair has been rescheduled for this Wednesday from 6:30-8:00. Miss Kim will be giving the students a time when they need to arrive to stand by their board and present their project.

Book Club: Our April book club will be on April 30th at 7:00 PM at the home of the Bells. The book is Scythe by Neal Shusterman. It is a Printz Honor book and is a gripping story that grapples with issues about life and death and moral choices. It's the kind of book you can't put down.

Weekend Homework & Upcoming Tests & Projects:

- Reader's Notebook - The Reader's Notebook Response is due every Thursday.
- Finish Holy Week Journal Entries for Palm Sunday through the trial on Good Friday.
