

# 7<sup>TH</sup> GRADE NEWS & INFORMATION

9/17/18 – 9/21/18

## Key Weekly Objectives

*Each week we will highlight key objectives covered in seventh grade during the week.*

**Math Objectives:** To multiply integers using repeated addition, patterns, and rules; to divide integers using rules

To name coordinates and quadrants in the coordinate plane; to graph points in the coordinate plane

**Science Objective:** To identify and describe the functions of organelles within a cell

To learn the parts of the microscope and their functions

**Literature Objective:** To improve everyday spelling by learning to correctly spell the most commonly used words in the English language and to master challenge words from the various content areas.

**Religion Objective:** To understand how Scripture and Tradition reveal God's truth to us.

## CLASS UPDATES

**SUCSESSES:** The students did a beautiful job of reading and doing the other liturgical jobs at mass this week.

**OPPORTUNITIES FOR GROWTH:** During mass the students need to say the responses and sing out and fully participate in the mass. Similarly, at morning assemblies they need to be saying the prayer and singing the patriotic song.

**Family Mass:** Our family mass is this Sunday, September 16<sup>th</sup> for the 10:00 AM mass. Meet Miss Lee in the church at 9:45. Pews will be reserved for the students parents are encouraged to sit behind the class.

**Book Fair:** All of the classes went to the book fair this week. Many "window shopped" and saw things they wanted to come back and get. The book fair will be open during the Back To School BBQ tonight. There is also a teacher wish list in the book fair where teachers noted books they would like for their classroom libraries, in case you want to donate a book to your child's class. See you tonight. Thank you for your support!

**Back To School BBQ:** Join us next tonight for the BBQ. See the E-baggie for more details.

**Picture Day:** Friday is picture day. It is Code A or uniform dress. Please review Code A dress in the parent hand book. It will NOT be a spirit shirt day.

**Extended Care:** At extended care the staff will be having fun daily structured activities for the students. Although we think it is good for them to take a break after the school, we understand that some middle schoolers have busy after school schedules and need the extra time for homework. For middle school only, they will be allowed to work on homework in place of the daily activity, provided that they use the time for homework.

**Middle School Sports:** Coaches needed! If you would like to coach a middle school team this year, volunteer by contacting Mrs. Simolon.

**WOW Week:** Thank you to Miss Kim and the student council for a wonderful WOW week. .

**Lancer Folders:** The Lancer Folders are finally here and going home today. Please remember to sign the back of the folder each week and sign and return anything on the sign and return side.

**School Tours:** School tours are the second Tuesday of every month. Please tell any perspective families about this opportunity to learn about our school.

**Coding Class:** See the attached Flyer for the middle school coding class offered by Mr. Simolon.

## Book Club!

It is a new school year and Book Club is starting up again! The next Book Club will be held **Monday, October 1** at Connor Bell's home. Directions will be posted on the website. The book we will be discussing is *Warcross* by Marie Lu. This is an action-packed contemporary thriller set in the world of on-line hacking and gaming. For a synopsis, go to Goodreads.com Look for a flyer and a book ad by Connor Bell in next week's newsletter.

### Weekend Homework & Up Coming Tests & Projects:

- Reader's Notebook - The first Reader's Notebook Response will be due on **Tuesday** and **every Tuesday** for the rest of the year.
